ALBERT J. MORIN,
Treasurer, Library

REPORT OF LIBRARY TRUSTEES

During 1974, the Jaffrey Public Library was very fortunate to receive a large bequest from the estate of Josephine B. and Lawrence H. Wetherell. The Wetherells were long-time residents of Jaffrey, and their love of reading and interest in the Library led them to donate this money for its use for the benefit of the Town. The Trustees propose to dedicate the present Reference Room

Report of Library Trustees (Cont'd)

as a Wetherell Memorial, and to place a plaque in the mantle to commemorate this gift.

It is hoped to continue to run the Library as a public concern, as the Trustees feel strongly that the Town has the right and privilege to share in this. Therefore the money has been placed in the J. B. S L. H. Wetherell Trust Fund, the income of which will be used over the next years to: Renovate and up-date the existing space in the building so as to realize its full potential use, and thus provide more room for a larger collection of books and other pertinent materials, and to increase and develop Library services of all kinds to the community, especially to children and young adults. Further plans under discussion include: The possible re-siting of the children's room, the relocation of the rest-room facilities, formation of a permanent collection in the basement, conservation and exhibition of the Amos Fortune papers, provision of more adequate office space, the purchase of new multi-media equipment and furnishings, and the cleaning and repair of the valuable pictures belonging to the Town.

In the making of these plans, the Trustees are ensuring that the extra income is being used for expansion that would otherwise have to be funded from Town appropriation, and also that the capital would still be available at a future date, should additions to the building be thought necessary.

MONADNOCK REGION ASSOCIATION

Some ask, "How does the Monadnock Region Association help me or my town?" We say, "anything that helps one town will eventually help all"..be it a fish rearing station, preservation of forest and wilderness land on Gap Mt., Mt. Monadnock or Pisgah...highways that are safer and insure the "village green" beauty and charm of our towns...rail service and air service to satisfy our needs, plus provide economic security to our business and plants plus jobs for our residents...more doctors, dentists and nurse to serve our medical needs...booklets and pamphlets which encourage people to use our services such as gas stations, merchants, attractions, recreation areas, plus eating and sleeping places, thus encouraging a healthy employment and economic climate. "No man is unto himself" and neither is any town. To paraphrase an oldie, "one unhealthy town in the region can blemish the others."

The Monadnock Region Association asks your support so our mutual efforts may keep our beauty forever and provide opportunities for our children to work, raise families, and carry on the tradition of genuine concern, not only for ourselves and our families, but also for our neighbors. To keep and insure this tradition, the Monadnock Region Association will also continue to dedicate itself to another New Hampshire tradition...the right to "speak with an independent voice"...for you!

JAFFREY BICENTENNIAL COMMITTEE
REPORT

We, the JAFFREY BICENTENNIAL COMMITTEE do here by proclaim the following to be our last official act.

THE GEORGE GORDON MEMORIAL BICENTENNIAL FUND (a Town of Jaffrey Trust Fund) amount of principal given to Trustees of Trust Funds on 1-9-75...\$ 7,432.71.

The annual income from the above mentioned fund will be given to the Jaffrey Conservation Commission to be held by them in a special account. The Conservation Commission shall expend the income in the following manner: First the income will be used to reimburse any expenditures that might be incurred by the Jaffrey-Rindge School Board for the maintenance of Childrens Woods as described in the will of the Albert Annett.

Secondly, if there be any income remaining it will be used by the Jaffrey Conservation Commission for the development and or maintenance of Carey Park, a Town owned forest.

Lastly, if there still be any income remaining the Jaffrey Conservation Commission shall return it to the Trustees of Trust Funds to be added to the principal of the George Gordon Memorial Bicentennial Fund.

Respectfully submitted:

JAFFREY HISTORIC DISTRICT COMMISSION

Jaffrey, N.H.

For the year ending December 31, 1974

To the Board of Selectmen:

Seven notices of intent were forwarded to the Commission and acted upon in the affirmative during 1974. Approval was granted to Mrs. Robert MacCready to install screening on an existing porch and a window on the west side of her home; to Major General Paul R. Stoney to construct a stone wall on his property along Thorndike Pond Road; to the Village Improvement Society to remove a dead elm tree on the common and install a flagstone base around the drinking fountain; to Mrs. Susan A. Frinker to repair the sill of her garage door and to build a chain link fence for restraining dogs behind her home; to Frank Hazel to install a flagstone walk on his property; to Mrs. Sylvia Hamilton to install chain fence for restraining dogs within her property; and to the Figaro Book Shop to erect a sign at the corner of Bryant Road and Main Street.

A Public Forum was held on August 21st at Melville Academy for the purpose of better informing Historic District Residents of the regulations and procedures of the Commission. Representatives of the Historical Society, the Village Improvement Society, the Jaffrey Planning Board, and the Town Moderator cooperated in this presentation.

Present Commission members are:

Fred H. Smith, Chairman
Mrs. Alice MacCready, Vice Chairman
Ann L. Royce, Secretary
Fred Richardson
Howard O. Williams, Selectman
Leonard Krause, Planning Board

JAFFREY CONSERVATION COMMISSION

To the Honorable Board of Selectmen
Town of Jaffrey, New Hampshire - ending December 31, 1974

During the past year the fledgling Conservation Commission has come into its own. With the acquisition of Red Dam by the Town came the Commission's first major responsibility. During the spring the Selectmen granted to the Conservation Commission the authority to repair and maintain Red Dam. With this authority granted we immediately summoned an engineer from the Water Resources Board in Concord to inspect and evaluate his findings.

In connection with Red Dam, the Contoocook Lake Area Preservation Association voted at their spring meeting to give the Commission funds to be used for the maintenance and repair of Red Dam. With these funds work has begun. We have cleared the Dam of trees which if up rooted might weaken the earthen part of the Dam. This was done because of the recommendation from Concord. We also contracted a clam shell operator to remove the mud from in front of the gates thus lessening the pressure on them.

Also this year the Conservation Commission has assisted the Planning Board in developing a Wetlands Ordinance for the Jaffrey Land Use Plan.

The Conservation Commission had been assisting in the enforcement of the State regulations regarding Dredge and Fill Laws.

Again regarding money, the Conservation Commission has accepted from the Bicentennial Committee, funds in memory of George Gordon to be used to establish a trust fund for the promotion and maintenance of Children Woods and Carey Park.

The members of the Commission wish to thank the Selectmen for their cooperation during the past year.
